

DELTA in Sydney

Come Listen for a moment lad and hear me tell me tale,
How off the streets to locked inside we were condemned to stay
Covid pandemic hit again and said Gladys said she!
To Stay at home, you must people in and around Sydney.

Wear masks indoors and wash your hands as often as you can
The delta Variant reached our shores, that's how it all began
Watch out Melbourne, Brisbane, Darwin Delta is on its way
Lockdown will follow right after and will ruin your day.

Non-essential business will close, Bunnings remains open!
No pubs no Gym no traveling no restaurants no fun
Don't think about breaking the rules, coppers are on alert
You will get hit with fines so high that you will lose your shirt

But our kids will be right here to keep us company,
Screaming boredom 10 times a day, or more don't you worry
Trying your best to keep them calm hard lessons you will learn
Forget about home-schooling them, in gremlins they will turn

Maybe one day they'll let us out and we'll be free again,
To roam around, go to the pub or even on a plane
To meet our families and friends, once more hug them for real
A dream for now, I hear a cry ... kids are at war I feel
